INSTITUTION'S POLICY FOR FEEDBACK

In an attempt to improve and enrich the curriculum of various courses Agrasen Mahavidyalaya has designed following policy so that the suggestions received from the students/ parents/ alumni can be incorporated by the University for the amendment, whenever its takes place.

1. The institution will take feedback from the Students/ Teachers / Parents/ Alumni at regular interval, at least once in an academic session.
2. The feedback form would have specifically designed questions, so that they can get the genuine opinion from the Students/ Teachers / Parents/ Alumni.
3. The feedback would also invite suggestion for necessary changes, if there is a need for the same.
4. The feedback would have both the closes and open ended questions, so that the students have the scope to respond accordingly.
5. The feedback forms would be analyzed systematically to draw certain conclusion and the same would be conveyed to the University for the enrichment of the course curriculum.
6. The feedback form would also be open to changes, if it is required for a better result.
7. Suggestions from the experts would also be sought for the same, as and when required.
